

The background of the cover is a stylized illustration of an igloo's interior. The walls are dark blue with some lighter blue structural lines. A large, rectangular opening in the wall is illuminated from within, casting a warm orange glow. In the lower-left corner, a small, blue, rectangular device with a screen and a small antenna is shown, emitting a bright blue light. In the lower-right corner, there is a dark blue rectangular object with four yellow circular lights arranged in a 2x2 grid. The overall style is that of a comic book or a children's magazine cover.
